Email	carly.bryant@kw.com
Password	[provided separately]

First login (5 min)

- Sign in at <https://dokind.ai>.
- Complete the **2-minute tour** (replay in sidebar).
- Bookmark on phone + laptop.
- Test templates + ask **Assistant** for a briefing.

Daily workflow

- **Today** — overdue, due today, awaiting review.
- **Start here** — new listing or contract intake.
- **Review queue** — approve/reject before send.
- **Inbox triage** — paste email → P0–P3.

Compliance

- Go-live needs your approval on the listing file.
- Wire changes = phone verification only.
- All client email through Review queue first.

Quick reference

- **Morning priorities** → Today
- **New listing** → New listing intake
- **New contract** → New contract intake
- **Approve before send** → Review queue
- **Classify mail** → Inbox triage
- **Open a file** → Listings / Transactions
- **Templates / AI help** → Email templates / Assistant

Weekly rhythm

- **Mon** — Today + Listings; triage weekend mail
- **Tue** — Review queue; client updates by 3 PM CT
- **Wed** — Active files; vendor deadlines
- **Thu** — Compliance + MC review items
- **Fri** — Close-out files; clear Review queue
